A 1965 CLASSIC BRAND NOW FUSES TRADITION WITH GLOBAL EXPERTISE.

Anik has been the trusted source in the dairy products category for more than 50 years. Talking about its fine production and superior quality standards, Anik's products have been on the top of the list across north India and their businesses. Coming from a renowned region, Malwa, the products are considered as the finest in terms of purity, nutrition, and taste. Touching the international quality standards and being exported to several countries, Anik is also known for its top quality milk powder.

PARTNERING WITH THE BEST, TO GIVE YOU THE BEST.

In 2016, Lactalis acquired Anik, where it opened up enormous opportunities in the biggest and most challenging dairy market in the world to position it as the most preferred brand in India. The traditional and cultural experience of Anik and international expertise of Lactalis provided a unique combination, leading to a success story to be talked by generations to come.

Lactalis is a family-owned dairy group based in Laval (Mayenne), in the west of France. In 1933, André Besnier started his cheese-making company. The group sells products in over 180 countries and has 229 production sites across the globe. Lactalis is the largest dairy group in the world with turnover of over 17 billion Euros.
